Dear Parents,

As you know our nursery school is voluntarily registered with New York State Education Department. As part of that registration, we need to provide the State Education Department with certain information, including information that pertains to your child's last dental check-up. A dental check-up is now required by New York State. Please return the form below before the start of school in September.

Thank you for your attention to this request.

Sincerely,

Terese Gurian  
Director
